

**CIM** | CANTERBURY  
AUSTRALIA | INSTITUTE OF  
MANAGEMENT

# CIM Student Association (CIMSA)

# Student Engagement at CIM

Canterbury Institute of Management (CIM) encourages the involvement of students in its decision-making and strategic planning on student-related matters, through student representation on committees and advisory groups.

Canterbury Institute of Management Student Association (CIMSA) is the official student representative body that supports student advocacy and sovereignty.

# Get heard!

**CIMSA's role is vital because it ensures the line of communication between CIM governing bodies and its student body.**

**CIMSA Office Bearers ensure that student views are considered when decisions are made about academic matters and other key areas of the student experience at CIM.**

**This process gives CIM students the forum to voice their views and gives CIM governing bodies valuable feedback from the people who matter the most – our students.**

**CIM is continually striving to improve the experience of its students. CIMSA Office-Bearers will be at the forefront of communicating the opinions of the student body.**

Are you ready to  
meet them?

# Meet Kritya

Hello, I'm Kritya, currently pursuing Master of Business Administration (Accounting) at CIM and proudly part of the Student Association. My CIM journey has been a mix of growth and fun experiences.

I'm an advocate for seizing all the resources available and, as a dedicated member of the Student Association, my mission is to amplify your voices and concerns to the Institute's Management.

Aside from my knack for problem-solving, I wield convincing power to get students involved in various activities. Recognizing our international diversity, I value unity and aim to foster a supportive community for all. Let's connect, share, and make our time at CIM both academically enriching and downright enjoyable. Need a chat or guidance? I'm here for you anytime!
